

## BRIDGE TO SUCCESS

### INCOMING NINTH GRADE SUMMER ENRICHMENT

JUNE 5 – JUNE 30, 2017

Monday - Friday

#### Enrichment English 1:

The English 1 Enrichment program is designed to build and strengthen reading comprehension, annotation and writing skills, increase concentrated listening skills, and develop informal speaking. Students will compose a weekly writing assignment, read a novel collaboratively and independently, and apply objectives for the novel that analyze, evaluate, and create. Student's work is graded for progress and proficiency. Parents will receive a weekly academic review. These assessments do not appear on a formal transcript nor do they count for any future grade in English 1. These reviews prepare students for the rigors of reading, writing, and group discussion in English 1.

#### Enrichment Math:

Enrichment Math is designed to strengthen the major topics needed for success in ninth grade Algebra 1. Operations with whole numbers, integers and rational numbers, factorization, ratios, solving one and two step equations, also area and perimeter will be taught, and graphing calculators will be used. Student work is graded for progress and proficiency. These grades do not appear on a formal transcript nor do they count for any grade in Algebra 1.
