

Camp Eagle Dietary Needs

Due to our desire to serve your group well our food manager requests that you inform Camp Eagle of any dietary needs any of your students or sponsors might have. This would include all food allergies, religious dietary food laws, or if an individual is a vegetarian.

Our desire is to serve delicious food and in order to be able to do that for all our guests we ask that we would know about dietary needs two weeks in advance of your trip so we can have the proper food on hand. Thank you for your time.
