

WELCOME TO THE HIVE

ST. ANTHONY CATHOLIC HIGH SCHOOL **General PTC Meeting**

OCTOBER 14, 2026

OPENING PRAYER

Heavenly Father,

Thank You for bringing us together once again as we begin our second PTC meeting. We are grateful for the opportunity to be part of the St. Anthony community and to work together for the success of our students, teachers, and families.

Lord, guide us as we continue to grow as a team. Give us patience, understanding, and wisdom as we share ideas and make decisions. Help us remember that everything we do is for the good of our children and our school.

Bless our parents, teachers, staff, and volunteers who give their time and dedication to make St. Anthony a better place. May we continue to support one another, build stronger relationships, and lead with kindness and faith.

We ask that You bless this meeting and all the wonderful things we hope to accomplish together.

In Your name, we pray.

Amen

Welcome to IMA

Founded in 1905, we are a Catholic, bilingual, and co-educational school that blends tradition with innovation.

Recognized for our academic excellence and values-based education, we provide students with the skills and confidence to succeed in a global world.

From preschool to high school, our community offers a safe and inspiring environment where students learn, grow, and build lifelong friendships. With a strong focus on languages, culture, and leadership, we open doors to unique international opportunities.

Located in the heart of Mexico City

Our campus is ideally situated in a central area, surrounded by history, culture, and modern life. This privileged location allows our students to enjoy easy access to museums, cultural landmarks, and vibrant neighborhoods, making their learning experience truly global.

Immersion Program

February 28th – March 5th

During this week, students will enjoy a unique cultural and academic immersion designed to broaden their horizons. They will take part in engaging classroom activities, interact with local students, and experience first-hand the warmth of our community.

Beyond academics, they will explore the vibrant heart of Mexico City through guided excursions to historical landmarks, museums, and cultural attractions.
